**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a retired senior on a fixed income who supports broadband competition.

My local carrier in the SF Bay Area, Sonic, is able to provide fiber access to me for a reasonable price. Previously they supplied me with competitively priced DSL service. I also get access to a landline telephone bundled into this.

A huge number of my neighbors also use Sonic. Please don't eliminate my economical choices.
